

HOW TO SPOT... SUMMER BUGS

These friendly bugs come out to play in summertime!

Draw lines to find the best places to see bugs.

Earwigs **hide** in shadowy spots.

Crickets **hop** about in long grass.

Ladybirds **flutter** to log and leaf piles.

Go out on a spotting adventure! **Tick** if you see these bugs!

ladybird

woodlouse

moth

earwig

dragonfly

cricket

HOP TO IT!
Crouch down and look for bugs with a grown-up in the park or woods. Remember not to disturb them though!
